We're

HIRING

Talon Helicopters operates a fleet of Airbus Helicopter AS350, AS355 and AS365 models from our base at Vancouver Airport (YVR)

We are currently seeking pilots to support our flight operations.

AS350/AS355 Experience:

- 2,000 hours of PIC on helicopters
- Extensive utility experience
- Experience with Class D fixed line would be an asset

AS365 Experience:

- 3,000 hours of PIC on helicopters
- Extensive utility experience
- Class D Hoist operational experience (experience with Class D fixed line would be an asset)
- NVG operational experience (unaided night or IFR would be an asset)
- AS365 PIC time (or experience with other medium helicopter types would be an asset)

Full-time pilots with Talon Helicopters are expected to live in the Vancouver area.

Compensation includes a comprehensive benefits package and competitive pay.

Please send resumes to our Chief Pilot:
